LAZIO - VITERBO - ISCHIA DI CASTRO

Immersed in the countryside of Ischia di Castro, in the locality of San Colombano, we offer 5 hectares of agricultural land with a rural building of 50 m2 for warehouse use.

The land is partly hilly and partly flat. Currently a part is used for the cultivation of 60 olive trees, while the remaining part is intended for arable land.

The soil type makes it suitable for various types of crops. It is also equipped with both electricity supply and water supply.

There is the possibility of changing the intended use to residential and expansion, based on the PUA, only for professional agricultural entrepreneurs.
