PUGLIA - BARI - MURAT - VIA PUTIGNANI

We help you visualize the property's potential thanks to the graphic reconstructions of our real estate renderings. Art and interior design bring light to this new restyling project for the prestigious apartment that we offer for sale in the heart of the city of Bari, with a panoramic view, large size, located on the fourth and top floor.

Bright, ethereal walls, furnishings covered in velvet, in a color palette based on warm and timeless tones, the solutions proposed for this property inside Palazzo Scattarelli, one of the most elegant and fascinating historic buildings in the city of Bari, in central and prestigious.

All the external views enjoy a splendid panoramic view of the facing Umbertino district and other important buildings of the city, such as the Renaissance one, headquarters of the Bank of Italy (which also commissioned the construction of the artistic fountain in front), the building which houses the Chamber of Commerce and the Petruzzelli Theater.

By reconfiguring the space and restructuring the rooms, the apartment will be an elegant property in the chicest area of the city. The real estate unit deserves the attention of a refined clientele.
