Detached house Villammare.

In the characteristic seaside village of Villammare we offer for sale a detached house overlooking the crystal clear sea of the Gulf of Policastro. The property boasts a strategic position from which you can admire the sea from Punta Infreschi to the Calabrian coast. Access is allowed from two sides, the first from the sea side via a small staircase, while the other is located on the back and can be crossed through a gate that opens onto the property's garden. The property is spread over three floors and is connected by a central spiral staircase that runs along its entire height. On the top floor we find an attic and we are surprised by a small terrace / solarium with an adjoining crenellated turret that characterizes the building.
