PIENZA - Podere Casabianca

In the Val d'Orcia, a UNESCO heritage site, we are pleased to offer for sale a portion of a recently built terraced villa on two levels set in the exclusive context of the Casabianca farm.

The internal layout of the real estate unit is well thought out to be modern and welcoming. On the ground floor there is a large living room, two bedrooms, two bathrooms and the eat-in kitchen.

A comfortable and scenic staircase with wooden steps and transparent parapet leads to the upper floor where there are two bedrooms with two ensuite bathrooms.

The architecture and style of the house reflect the magical and suggestive atmosphere of Tuscany, with modern details and high quality finishes.

Each window offers unexpected glimpses of the Tuscan hills and the suggestive surrounding landscape which varies with the seasons. The garden allows you to experience moments of absolute relaxation outdoors.

There are two real estate units available with the same characteristics.
