Land for sale in Gradara

€ 160.000

Ref. CBI099-1008-520506

1.120 sq.m.

We offer for sale a flat building plot, located in the splendid town of Gradara.

Its total surface area is 1,120 square meters, of which 880 square meters are intended for construction.

The land enjoys an excellent location, in a quiet residential area surrounded by greenery.

Thanks to its flat shape, it is very easy to build and suitable for the construction of one or more homes.

Its large size allows you to create a spacious and comfortable home, with large gardens and outdoor spaces.

Furthermore, the proximity to the historic center of Gradara and the main services makes this land even more interesting and convenient for those who want to build their home in a residential but well-connected area.

A unique opportunity to build the home of your dreams in one of the most beautiful and historic locations in the Marche region. This is the investment you were looking for, an unmissable opportunity to build the home of your dreams or to develop a project successful real estate.

Contact us today to find out more about this incredible building plot in Gradara.

Don't miss this unique opportunity to create the residence you've always wanted!
