PUGLIA . OSTUNI
OLD TOWN

Coldwell Banker offers for sale, exclusively, a rare studio apartment in one of the most beautiful and characteristic streets of the "White City", in Ostuni.

This part of the historic center of Ostuni dates back to a very ancient time, between 1300 and 1500, as evidenced by the Aragonese style towers.

Here a lovely loft, expertly restored, consists of a lovely living room with kitchenette, sleeping area and an elegant bathroom. To embellish a shower completely dug into the living rock.

The location is excellent: Piazza della Libertà and the Cathedral are about 200 meters away, the major services can be reached on foot, the train station is about 3 km away, Brindisi airport is about 30km away.

A real opportunity: the structure is immediately available and constitutes an interesting investment opportunity.
